ANALYSIS AND RECOMMENDATIONS

BACKGROUND

The applicant, Eaglecreek Associates II, is requesting a Historic Property Contract to allow property tax relief to rehabilitate and maintain the Clara Louise Lawrence Residence, City Landmark HL01-142, located on the east side of Randol Avenue approximately 180 feet southerly of The Alameda. The site is zoned A(PD), Planned Development and is designated Office on the adopted San Jose 2020 Land Use and Transportation Diagram. The subject site is currently used as a single-family residence. Surrounding land uses consist of single-family residential to the south and commercial uses to the east, across Randol to the west and across The Alameda to the north.

The City Council voted to designate The Clara Louise Lawrence Residence as a City Landmark in 2001. The structure at 1146 Randol Street was built c. 1921 in the Neo-classical Craftsman Bungalow style. It is significant for its architecture and its association with the writer and poet Clara Louise Lawrence who lived in the home from 1922 to 1942. Lawrence was a writer of children's stories, a poet of local significance and a member of the San Jose Poetry Club. She is known for her descriptions of the early Santa Clara Valley, including the poem "Valley of the Heart's Delight".

ENVIRONMENTAL REVIEW

Under the provisions of Section 15331 of the State Guidelines for Implementation of the California Environmental Quality Act (CEQA), this project is found to be exempt from environmental review in that the project is limited to the rehabilitation of a historical resource in a manner consistent with the Secretary of the Interior's Standards for the Treatment of Historic Properties with Guidelines for Preserving, Rehabilitating, Restoring and Reconstructing Historic Buildings (1995), Weeks and Grimmer.

GENERAL PLAN CONFORMANCE

The proposed Contract conforms to the San Jose 2020 General Plan Land Use/Transportation Diagram designation of Office. Under the Discretionary Alternate Use Policy, Structures of Historical or Architectural Merit are allowed land uses other than those designated on the Land Use/Transportation Diagram in order to preserve the structure.

ANALYSIS

1. Required Provisions of Historic Property Contracts

Municipal Code Chapter 13.48 requires provisions of Historic Property Contracts as follows

- A. A description of the Landmark Property subject to the Contract;
- B. A provision that the term of the Contract is a minimum period of ten years;
- C. Specific conditions requiring preservation of the Landmark Property and, where appropriate, restoration and rehabilitation of the Landmark Property to conform to the requirements of the City, and the rules and regulations of the Office of Historic Preservation of the State of California Department of Parks and Recreation;
- D. Provision for the periodic examination of the interior and exterior of the Landmark Property by the City of San Jose, Santa Clara County Assessor, and the State Board of Equalization as may be necessary to determine the owner's compliance with the Contract.
- E. A requirement that the property owner annually expend an amount equal to a minimum of 10% of the tax savings attributed to the Contract to the preservation and maintenance of the Landmark Property; and
- F. A provision that the Contract is binding upon and shall inure to the benefit of, all successors in interest of the owners; and that a successor in interest shall have the same rights and obligations under the Contract as the original owners who entered into the Contract.

In addition to the Municipal Code provisions above State legislation requires the City Clerk to record a Historic Property Contract with the County Recorder by December 31 of any calendar year in order to be effective during the following calendar year.

2. Required Findings of Historic Property Contracts

In accordance with Municipal Code Chapter 13.48, the City Council may approve a Historic Property Contract only if the following findings are made:

- A. The proposed Contract is consistent with the General Plan;
- B. The proposed Contract would provide greater protection for the Landmark Property than is otherwise provided by the provisions of Municipal Code Chapter 13.48; and
- C. The proposed Contract complies with the required provisions of Historic Property Contracts listed above.

PUBLIC OUTREACH

The property owner has requested the historic property contract. Public Notices were published, posted on the property and mailed to property owners within a 500-foot radius.

RECOMMENDATION

Planning staff recommends that the Historic Landmarks Commission recommend that the City Council approve the Historic Property Contract and make the following findings:

- A. The proposed Contract is consistent with the General Plan Land Use designation of Office because (1) the Discretionary Alternate Use Policy, Structures of Historical or Architectural Merit allows land uses on a site with a structure of significant historical or architectural merit other than those designated on the Land Use/Transportation Diagram in order to preserve the structure, and (2) the proposal encourages the continuation and appropriate expansion of Federal and State programs which provide tax and other incentives for the rehabilitation of historically or architecturally significant structures.
- B. The proposed Contract provides greater protection for the Landmark Property than is otherwise provided by the provisions of Municipal Code Chapter 13.48 because the owner, in partnership with the City, may use property tax relief to rehabilitate and maintain the property in accordance with the preservation plan, Exhibit "C".
- C. The proposed Contract complies with the required provisions of Historic Property Contracts listed above.
